

## Carpenter

We are looking for carpenters to construct, repair, restore and install structural woodwork and related materials.

This is a journey level position.

Incumbents in this classification are exposed to restricted movement, dirty environment, extreme temperature and intense noise inherent to carpentry positions.

Incumbents must lift and carry heavy objects.

### Job duties:

- Constructs, repairs, restores and installs structures such as floors, doors, walls, windows, stairways, furniture, cabinets, shelves and roofs.
- Operates and performs preventative maintenance on hand and power saws, planers, lathes, joiners, shapers, drills, sanders and a variety of hand tools.
- Installs locks, knobs, hinges, closures and other fixtures to structures.
- Cleans equipment, shop area and work site area

### Knowledge, Skills and Abilities:

- Knowledge of tools, equipment and materials common to the carpentry trade
- Skills in the construction, repair, restoration and installation of wood or related materials
- Ability to estimate time and materials needed for assigned work projects

Palace Construction is looking for carpenters who have good communication skills and present a well-groomed appearance. We prefer people who have prior construction and restoration experience.

### Requirements:

- Four years carpentry experience OR any equivalent combination of experience and/or education from which comparable knowledge, skills and abilities have been achieved
- Palace is a Drug Free Workplace - *Urine test required*
- Background check will be conducted
- Valid Driver's License
- Positive attitude

## About Palace

Palace Construction has been building structures and relationships of integrity throughout the Rocky Mountain region since 1963. Committed to Building Better Lives, we assist clients in all areas of commercial and residential construction. Our integrated approach focuses on solving our client's challenges by developing a strategic preconstruction plan to meet budgetary and time constraints, and delivering a high-quality outcome.
